INTERVIEW SUMMARY

In a telephone interview between Examiner Refai and the undersigned attorney of record held January 31, 2006, Examiner Refai acknowledged the Information Disclosure Statement by Applicants filed May 29, 2002, and indicated that he had initialed the accompanying form 1449 as to the patent references listed thereon having been considered. However, Examiner Refai indicated the listed non-patent references had been misplaced and could not be found. Accordingly, the undersigned attorney offered to resend these references in the format of electronic files on a CD enclosed with the present Interview Summary to facilitate consideration by the Examiner. Examiner Refai indicated he would then be able to consider these references, and would issue the initialed Form 1449 in a supplemental Notice of Allowance.

As agreed in the Interview, a CD containing the listed references is enclosed herewith.

Applicants respectfully request that the references be considered by the Examiner before issuance, and that the Form 1449 be initialed accordingly by the Examiner such that their consideration is made of record.

Respectfully submitted,
